EDUCATION

B.Tech Mechanical Engineering, 2021 - 2025

EXPERIENCE

Design Intern, Ashok Leyland

Jun 2024 - Dec 2024

- Created 3D assemblies in SolidWorks for chassis subcomponents
- Ran finite element analysis in ANSYS to validate load tolerances
- Prepared manufacturing drawings to GD&T standards
- Coordinated with the production floor on tolerance issues

SKILLS

SolidWorks, ANSYS, AutoCAD, CATIA, GD&T, MATLAB, Thermodynamics,
Manufacturing Processes
